

COUNCIL on AGING MEETING
May 13, 2008

ATTENDANCE: Becky Moriarty, Virginia Schneider, Shirley Gouvan, Karen Ledger, John Shay, Brian MacLeod, Pat Clark, Al Ouimet and Deanna Vermette

ABSENT: Rita Vail

Brian called the meeting to order @ 8:35 Minutes of previous meeting accepted.

DIRECTORS REPORT: Accepted as read by Becky

TREASURERS REPORT: Reviewed and accepted after a discussion on the zero balance in the Utilities Account. Becky told the council that \$500 would be transferred from the Building Maintenance Account to the utilities and \$2000 would be added by the town.

OLD BUSINESS:

John Shay has a speaker from Schepens Eye Research Institute who will speak sometime in June on eye diseases.

RE: the Utilities Account, the council would like to know how our budget would be affected if the center is used for an emergency. Becky is going to check on this.

NEW BUSINESS:

The PVTA has increased the fares by fifty cents (one way). Tickets can still be purchased from the center, 20 tickets for \$38.00 an increase of \$8.00.

The BIG H is going to be held in September and we would like to have the Senior Center represented. Possibly by having an information table combined with a craft table. Rita is checking to see if we can have space.

NEXT MEETING TUESDAY June 10, 2008

Respectfully submitted:

Deanna Vermette, Secretary
Council on Aging
Hampden Senior Center
