Minutes of the previous meeting accepted

DIRECTORS REPORT: accepted as read by Becky.
TREASURERS REPORT: accepted

OLD BUSINESS: Bill reported that his marketing committee is moving right along with a profile of Susan Nieske, Friends Dinner, workshop headed by Lynn Schmidt, and plans for an article on Sue LaMondia.

A nominating committee was selected as follows: Brian Macleod, Karen Leger, and Deanna Vermette.

The new format of the SCRIBE was discussed and everyone agreed it is eye appealing and easier to read.

The Memorial Day parade will be discussed at the April meeting.

NEW BUSINESS: Rita reported on her 4 hour stay while the center was rented. She feels that anyone who stays in the building during rental hours, should not have to “baby-sit” children who are attending the function. This problem was discussed by the council and it was decided that the rental agreement has to be re-vamped. Becky suggested that the person, who stays in the building while it is being rented, should be compensated. The discussion will continue at the April meeting.

Rita was concerned that the center would not be able to operate without a director for the six months (approx) that Becky will be gone. A discussion followed and will continue at the April meeting

NEXT MEETING APRIL 14, 2009

Respectfully submitted
Deanna Vermette, Secretary
Council on Aging, Hampden Senior Center
