7:04 Bonnie Geromini opened the July 16, 2014 meeting at 7:04.

7:15 Park & Rec Dept. Fred Frangie and Dave Turcotte presented an NOI to us to discuss the work that will be done at Memorial Park for the Pavilion to replace the small basketball court. Mr. Frangie stated that the park dept. has received a CPC Grant for \$20,000.00 to do the work at the park. Ted holes will be dug by an auger on the hardtop that is already there for the poles to be put in. The ten holes will be within the buffer zone. Bonnie Geromini will get an opinion from our Consultant Stan Tenerowicz on the proper filing if it should be an NOI or an RDA form. Bonnie Geromini made the motion to continue the Park & Rec. request until the next monthly meeting.

7:45 Joan Patterson, 46 Potash Hill Lane wanted her property looked at as there is a problem with the land. Ted Zebert and Tim Hanley and Judy McKinley Brewer did a site visit on the property before the meeting and found that the property is slowly sinking from underneath. Bonnie Geromini suggested giving Dana Pixley from the Highway Dept. a call and see if he may have some solution to the problem. It was also suggested that Mrs. Patterson possibly contact a Civil Engineer to have the soil tested to try and find out what is going on underground.
