Meeting Minutes June 28, 2005**

Attendance: Chris McDonald, Michael D'Agostino and Huck House.

Also present were Dina Demos, Michelle Mayotte, Bob White, Jim Acciardo, John Flynn, Gary Lemoine and Kathy Cushman.

Baseball: Dina Demos, Michelle Mayotte and Kathy Cushman voiced their opinions on actions they felt were inappropriate from the coaches of the Hampden Phillies Team. Letters were presented from these families explaining the poor sportsmanship, conduct and communications from the coaches. They felt many life learning experiences come from playing sports and would have liked a much more positive experience for their children. Chris would like to invite the coaches in to discuss the complaints.

Minutes: Huck made a motion to approve the June 14, 2005 minutes. Michael seconded. All in favor and so voted.

Bills: Reviewed and paid

2006 Spring Baseball/future baseball: Bob White, Gary Lemoine and Jim Acciardo discussed ideas for the future of baseball. They felt this season got off to a late start and felt that things could be done in the fall to get a jump start on the program. They would like to have a meeting to present the idea of joining with Wilshire baseball in the future. John felt that the present season needed to be re-capped first. A suggestion was made to have a meeting in September but gather information/feedback now from coaches. Jim could bring more information to a future meeting about the program since he has been involved with it for many years.

Pool: The pipes have been crushed and the area back filled. The next step is to clean out the pool. Sue will check with Lori McCool and the Board of Health as to where the pool can be drained.

Office position: There will be a special meeting July 5 to discuss the status of the clerks position
