Article 22. ZONING BYLAW, TEMPORARY MORATORIUM ON MEDICAL MARIJUANA TREATMENT CENTERS

To see if the Town will vote to amend the Zoning Bylaw of the Town by adding as new Section 6.12 - Temporary Moratorium on Medical Marijuana Treatment Centers, that would provide as follows, and further to amend the Table of Contents to add Section 6.12, "Temporary Moratorium on Medical Marijuana Treatment Centers", or take any other action relative thereto:

Section 1. Purpose

By vote at the State election on November 6, 2012, the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for medical purposes. The law provides that it is effective on January 1, 2013, and the State Department of Public Health is required to issue regulations regarding implementation within 120 days of the law's effective date. Currently under the Zoning Bylaw, a Medical Marijuana Treatment Center

is not a permitted use in the Town and any regulations promulgated by the State Department of Public Health are expected to provide guidance to the Town in regulating medical marijuana, including Medical Marijuana Treatment Centers. The regulation of medical marijuana raises novel and complex legal, planning, and public safety issues and the Town needs time to study and consider the regulation of Medical Marijuana Treatment Centers and address such novel and complex issues, as well as to address the potential impact of the State regulations on local zoning and to undertake a planning process to consider amending the Zoning Bylaw regarding regulation of medical marijuana treatment centers and other uses related to the regulation of medical marijuana. The Town intends to adopt a temporary moratorium on the use of land and structures in the Town for Medical Marijuana Treatment Centers so as to allow the Town sufficient time to engage in a planning process to address the effects of such structures and uses in the Town and to enhance bylaws in a manner consistent with sound land use planning goals and objectives.

Section 2. Definition

“Medical Marijuana Treatment Center” shall mean a “not-for-profit entity, as defined by Massachusetts law only, registered by the Department of Public Health, that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies or educational material to qualifying patients or their personal caregivers.”

Section 3. Temporary Moratorium

For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaw to the contrary, the Town hereby adopts a temporary moratorium on the use of land or structures for a Medical Marijuana Treatment Center. The moratorium shall be in effect through June 30, 2014. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of Medical marijuana in the Town, consider adopting new Zoning Bylaws to address the impact and operation of Medical Marijuana Treatment Centers and related uses.

Article 23. ZONING BYLAW - Flood Plain Change

Hampden Massachusetts Floodplain and Wetland Districts

To see if the Town will vote to replace Zoning Bylaw 6.9, Floodplain and Wetland Districts in its entirety with the changes requested by FEMA and the state as follows, or take any other action relative thereto.

6.91 The purpose of these Districts are:

6.911 To provide that the lands in the Town of Hampden subject to seasonal or periodic flooding as described hereinafter shall not be used for residence or other purpose in such a manner as to endanger the health or safety of the occupants thereof.

6.912 To protect, preserve and maintain the water table and water recharge areas within the Town so as to preserve present and potential water supplies for the public and safety of the Town of Hampden.

To assure the continuation of the natural flow pattern of the water course (s) within the Town of Hampden in order to provide adequate and safe flood water storage capacity to protect persons and property against the hazards of flood inundation.

6.92 Floodplain District Boundaries and Base Flood Elevation and Floodway Data

The Floodplain District is herein established as an overlay district. The District includes all special flood hazard areas within the Town of Hampden designated as Zone A, AE, AH, AO, A99, V, or VE on the Hampden County Flood Insurance Rate Map (FIRM) issued by the Federal Emergency Management Agency (FEMA) for the administration of the National Flood Insurance Program. The map panels of the Hampden County FIRM that are wholly or partially within the Town of Hampden are panel numbers 25013C0430E, 25013C0435E, 25013C0440E, 25013C0445E, 25013C0453E, and 25013C0461E dated July 16, 2013. The exact boundaries of the District may be defined by the 100-year base flood elevations shown on the FIRM and further defined by the Hampden County Flood Insurance Study (FIS) report dated July 16, 2013. The FIRM and FIS report are incorporated herein by reference and are on file with the Town Clerk, Planning Board, Building Official, and Conservation Commission. 6.922 In Zone A, A1-30 and AE, along watercourses that have not had a regulatory floodway designated, the best available Federal, State, Local or other floodway data shall be used to prohibit encroachments in floodways which would result in any increase in flood levels within the community during the occurrence of the base flood discharge.

6.924 Use Regulations

1. The Flood plain District is established as an overlay district to all other districts. All development in the district, including structural and non-structural activities, whether permitted by right or special permit, must be in compliance with Chapter 131, Section 40 of the Massachusetts General Laws and with the following:
 - Section of the Massachusetts State Building Code which addresses floodplain areas - currently 780 CMR; ~~2102.0~~ Flood-Resistant Construction
 - Wetlands Protection Regulations - currently 310 CMR 10.00;
 - Inland Wetlands Restriction ~~—~~ currently ~~302 CMR~~ 310 CMR 13.00;
 - Minimum Requirements for the Subsurface Disposal of Sanitary Sewage, currently - 310 CMR 15, Title V.

Any Variances from the provisions and requirements of the state regulations referenced above may only be granted in accordance with the required variance procedures of these State regulations.

2. In the Wetland District, and in the Flood Plain outside of the Designated Floodway, no new buildings other than accessory buildings or municipal public works structures may be erected or constructed. Construction of accessory buildings in the Flood Plain shall be allowed only so long as they are anchored to prevent flotation and lateral movement, and are constructed with flood-resistant materials and methods, as determined by the Building Inspector in conformance with the State Building Code. Additionally, no dumping, filling, or transfer or relocation shall be permitted in the above mentioned districts, nor shall any land, building, or structure be used for any purpose except:
 - a. Outdoor recreation, including play areas, nature study, boating, fishing, and hunting where legally permitted, but excluding buildings and structures

- b. Non-commercial signs (as permitted in the Residential District), foot, bicycle, and/or horse paths and bridges, and wildlife management areas, provided such use does not affect the natural flow pattern on any watercourse.
- c. Grazing and farming, including truck gardening and harvesting of crops.
- d. Forestry and nurseries.
- e. Conservation of water, plants, and wildlife.
- f. Dwellings and other structures and uses lawfully existing prior to the adoption of these provisions, but not including substantial improvements as defined in the National Flood Insurance Programs Rules and Regulations published in the Federal Register of October 26, 1976.
- g. Other uses, which are permitted in the underlying zoning districts, and are proposed within the Wetland and Flood Plain outside of the Designated Floodway, may be allowed by Special Permit from the Board of Appeals subject to the following:
 - (1) All proposals for special permits must have been referred to the Planning Board, the Board of Health, and the Conservation Commission for review to assure that: a) such proposals minimize flood damage; b) all public utilities and facilities are located and constructed to minimize or eliminate flood damage; and c) adequate drainage is provided to reduce exposure to flood hazards. The proposals must be reported favorably by two of the three boards. If the boards fail to act upon the proposal or fail to notify the Town Clerk and the applicant of their action within forty-five days after its submission, the proposal shall be deemed approved, and the Town Clerk shall issue a certificate to the same effect.
 - (2) The proposed use will not be detrimental to the public health, safety and welfare.
 - (3) All proposed new construction in the Flood Plain must be in conformance with the regulations as referenced in **Section 6.924-1** of this bylaw as determined by the Building Inspector.

- (4) In the Flood Plain all subdivision proposals and other proposed new developments greater than fifty (50) lots or five (5) acres, whichever is less, must include base flood elevation data.
- (5) All new water systems must be located and designed so as to avoid impairment due to flooding.
- (6) Within Zones A1-30AE, all new construction and substantial improvements (the cost of which equals or exceeds fifty percent of the market value of the structure) of residential and non-residential structures shall conform to the regulations as referenced in [Section 6.924-1](#) of this bylaw.
- (7) Within Zone A (un-numbered A zone), where the base flood elevation is not provided on the Flood Insurance Rate Map, the applicant shall produce the best available Federal, State, local or other floodway data which shall be used to ensure conformance to the State Building Code [Section-2102.Section780](#) CMR. In cases where [date](#) data is not available the Wetlands Protection Act may require engineering studies to be performed in order to determine base flood elevations in unnumbered A zones.
- (8) Where watertight flood proofing of a structure is permitted in lieu of elevation, a registered professional engineer or architect shall certify to the building inspector that the methods used are in conformance with the regulations as referenced in [Section 6.924-1](#) of this bylaw.
- (9) The proposed use must comply in all other respects to the provisions of the underlying District or Districts within which the land is located.
- (10) No encroachments (including fill, new construction, substantial improvements to existing structures, or other development) shall be allowed unless it is demonstrated by the applicant that the proposed development, as a result of compensating actions, will not result in any increase in flood levels during the occurrence of a 100-year flood in accordance with the Federal Emergency Management Agency's regulations for the National Flood Insurance Program.

- 6.93 Within the designated floodway, no encroachments, including fill, new construction, substantial improvements and other development shall be permitted, except for municipal public works structures and repairs to existing facilities, subject to the provisions in section 6.924(2)(g)(10).
- 6.94 The portion of any lot within the area delineated on the Hampden Zoning Map as Flood Plain and Wetland district or other existing wetland as defined by M.G.L. Chapter 131, Section 40, may be used to meet the area and yard requirements for the district or districts in which the remainder of the lot is situated (provided the proposed construction site be a non-wetland or non-flood plain area of at least 75% of the minimum lot area requirements).
- 6.95 Where the bounds are in doubt, the burden of proof shall be on the owner(s) of the land in question, to show where they should be properly located. However, the Town of Hampden retains its authority to determine the actual boundaries of the flood plain/wetland within the area in question.
- 6.96 The donation of recreational easements to provide public access to the Scantic River shall be encouraged within the Floodplain District.

Article 24. ZONING BYLAW – Home Occupation

To see if the town will vote to amend the zoning bylaw of the town by inserting the following new definition of “Home Occupation” in Section 2.72 of the zoning bylaws

2.72 Home Occupation

“An occupation conducted in a dwelling unit.”

To replace the existing definition which reads as follows, or take any other action relative thereto:

2.72 Home Occupation

Any occupation conducted in a dwelling unit provided that:

2.721 No more than one person, other than members of the family residing on the premises, shall be engaged in such occupation.

2.722 The use of the dwelling unit for the home occupation shall be clearly incidental and subordinate to its use for residential purposes by its occupants.

2.723 There shall be no change in the outside appearance of the building or premises, or other visible evidence of the conduct of such home occupation other than one (1) sign, no exceeding one (1) square foot in area, and non-illuminated.

2.724 No home occupation shall be conducted in any accessory building, except by Special Permit from the Planning Board.

2.725 No traffic shall be generated by such home occupation in greater volumes than would normally be expected in a residential neighborhood, and any need for parking generated by the conduct of such home occupation shall be off the street

and other than in a required front yard.

2.726 No equipment or process shall be used in such home occupation which creates noise, vibration, glare, fumes, odors, or electrical interference, detectable to the normal senses off the lot. In the case of electrical interference, no equipment or process shall be used which creates visual or audible interference in any radio or television receivers off the premises, or causes fluctuation in line voltage off premises.

Article 25. ZONING BYLAW – R-4 and R-6 Districts
